I Theological Underpinnings A Balanced Gospel Kellers theology rests on a robust understanding of the gospel as both a message of personal transformation and societal reformation He avoids the pitfalls of individualistic evangelicalism acknowledging the interconnectedness of personal faith and societal justice This balanced gospel integrates Conversion A genuine encounter with Christ leading to personal repentance and faith Transformation The ongoing process of sanctification shaping character and behavior in accordance with Gods will Social Justice A commitment to alleviating suffering and promoting justice within the community reflecting Gods heart for the marginalized and oppressed This integration can be visualized using a Venn diagram
