Cambridge practice tests for PET 1 contains five complete practice tests written to comply with the 1996 syllabus for the preliminary English test written by authors with wide experience of test writing and of the PET exam and trialled by students in Britain and overseas. These tests can be relied upon as accurate representations of the 1996 PET syllabus. The first test in the book is presented in an expanded form with notes and annotations to help students find their way around the new format of each section of the PET. The other four tests are model PET examinations providing excellent pre-test practice.

Proficiency practice tests provide practice with the language and types of tasks that appear in all five parts of the CPE entry test.

The Practice Tests Plus series provides sets of complete tests and guidance at exam level and in exam format for the Cambridge ESOL exams.
